Fursbreck Stores is a substantial commercial storage building situated in the peaceful parish of Harray, offering a versatile opportunity for business, storage or workshop use.

The building has been thoughtfully divided into four storage units, each benefiting from power and lighting, allowing flexibility for multiple uses or the potential to generate rental income. The stores are constructed with concrete floors throughout, while the extra-high main access doors provide excellent accessibility for larger vehicles, machinery or equipment.

A useful office/store has been plasterboard-lined, creating practical workspace alongside the storage facilities. Externally, the generous gravel yard offers ample manoeuvring space, vehicle parking and additional outdoor storage, further enhancing the property's appeal for commercial operators or tradespeople.

A particular advantage of Fursbreck Stores is the opportunity to purchase the adjacent detached bungalow, available by separate negotiation. This provides an attractive prospect for buyers seeking a live-work arrangement, staff accommodation or an additional investment property with buy-to-let potential.
